

AvanTech YOU

Intelligent Larder

AvanTech YOU has a timeless, sleek design to fit intelligently into any kitchen environment.

The Intelligent Larder is the perfect platform to meet market demands and customer wishes with the runner system allowing up to maximum of 70kg per drawer - a total of 350kg weight loading - to be opened / closed with ease. Coordinating internal organisation and internal drawer fronts finish off the design for the perfect Intelligent Larder.

For further details please contact info@hettich.com.au, or Call 1800 687 789 for further assistance.
