Elevate the design and functionality of your project with the AvanTech YOU LightTower, the perfect solution for creating a unique pantry system. Our illuminated glass inlays are a standout feature within the LightTower, with polished or ground edges that create distinctive lighting effects. These eye-catching elements are sure to impress your clients and add an extra touch of sophistication to your design.

With AvanTech YOU, you can give your project its very own LightTower creating an unforgettable user experience. Whether it's in residential or commercial setting, our lighting solutions are designed to enhance your design and delight your clients.

## Features and benefits

**Versatile Usage:** The AvanTech YOU Signature Lighting is suitable for a wide range of applications, from kitchen cabinets and office drawers to bathroom vanities and living room furniture.

**Diffuse Light:** With a colour temperature of 4000K, the AvanTech YOU Signature Lighting provides a warm and inviting ambiance to your kitchen, living room, bathroom, or office.

**Convenient Power Supply:** Each drawer is equipped with a rechargeable battery pack, making it easy to power the lighting without the need for complicated wiring or electrical installation.

**Automatic Switch On/Off:** The AvanTech YOU Signature Lighting is designed to switch on automatically when the drawer is opened, providing convenient and hands-free access to your drawer's contents. It also switches off automatically after 30 seconds of inactivity or when the drawer is closed, saving energy and prolonging the battery life.

**Retrofittable Design:** The AvanTech YOU Signature Lighting can be easily retrofitted to existing drawers, making it a hassle-free and cost-effective upgrade.
