

# Walk in Wardrobes

Explore the Practical use of our Innovative Hardware Products

While the main bedroom was defined by its bold Santiago Blue palette, Han and Can took a different approach in the adjoining walk-in wardrobe, embracing warm brown and beige tones instead.

Entered through a striking arched doorway, the space exudes ultra-luxury. Dark timber cabinetry with glass-inlay drawers is elevated by subtle strip lighting along the walls, creating both ambience and functionality. Marble continues as a recurring theme, most notably showcased in the elegant handles adorning the wardrobe doors.
