

Walk in Wardrobes

Explore the Practical use of our Innovative Hardware Products

Robby and Mat this week delivered the largest walk-in wardrobe of all five homes, seamlessly flowing from their incredibly luxurious ensuite into an equally impressive, wide and spacious robe.

The wardrobe offers abundant storage alongside a dedicated make-up bench space. The judges praised the design, noting, "It feels like the right balance to bedroom and robe." With generous proportions, thoughtful zoning, and a mix of cabinetry doors, glass-inlay drawers, and open shelving, this walk-in wardrobe achieves the perfect harmony of function and luxury.
