

Walk in Wardrobes

Explore the Practical use of our Innovative Hardware Products

Sonny and Alicia's walk-in wardrobe is cleverly concealed behind a secret door in the bedroom, setting the tone for a premium and sophisticated space.

The design focuses on drawers with elegant glass inlays rather than an excess of cabinetry doors, complemented by open shelving above for balance and practicality. Dark timbers bring depth and richness to the scheme, while integrated illumination highlights the wardrobe's details and enhances its luxurious feel.
