

Laundry, Pantry & Mudroom

Explore the Practical use of our Innovative Hardware Products

Robby and Mat's walk-in pantry strikes the perfect balance of display and storage, combining open shelving with closed cupboards and highlighted by subtle LED strip lighting. Their laundry, discreetly concealed along the corridor behind bi-fold doors, is a clever example of compact yet efficient design. The adjoining mudroom is equally practical, featuring a built-in bench with drawers for shoe storage and open shelving above to keep everyday essentials organised.
